On the behalf of the CPV/IS Organizing Committee,

To clarify Article 8.6. of the 2025 CPV/Iberian Supercars Sporting Regulations, inform that only competitors holding Supercars Endurance Licenses (SEL) shall be eligible to score points in the drivers' and teams' championships and divisions for GT4 Pro, GT4 Pro-Am, and GT4 Bronze.

All other drivers who participate in the championship events and are not holders of any SEL, they will not score or block points, but they will be considered when filling out the classification and podiums.
