

#019 BULLETIN

VIP LAPS

29/07/2025

Valencia

On behalf of the 'CPV/IS' Organizing Committee,

At events where there are 'VIP Laps' (VIP Co-Drives) sessions in the program, as in this one, cars and/or drivers may offer passenger rides. However, these laps must adhere to the following conditions:

- A passenger must be present.
- Marked or/and new tires (slick or wet) are not allowed.
- Complete laps are prohibited. Only out/in laps are permitted.

Failure to comply will result in these laps being considered illegal extra practice by the Stewards of the Meeting and will entail corresponding penalties.

Important Notes:

- Minimum age: 16 years old.
- The use of helmets and all other safety features is compulsory.
- Road cars and other cars are allowed.
- All participants (drivers and passengers) must sign the liability form (please request at Race Ready Office) and prove a copy of the ID cars or equivalent.
- Please be informed that 'VIP Laps' are not included within the scope of the event and, therefore, are not covered by the event insurance policy in place.
- Teams interested in taking part must inform the Organising Committee no later than 24 hours before the activity.
